EDUCATION

The University of Melbourne, Australia — Master of Arts Curatorship

Melbourne, Australia, February 2024 - 2026

Hubei University of Technology, China — Bachelor of Product Design

Wuhan, China, September 2018 - June 2022

PROJECTS

Night at Museum — Visitor Studies Research Project

University of Melbourne, 2025 (in progress)

- Exploring how night programs affect visitor experience, using Melbourne Museum as a case study.
- Conducting field research through structured observation and interviews to analyze visitor behavior during after-hours programming.

Sensitive Being Exhibition — Curatorial Project

Melbourne, August 2025 (Upcoming)

- Co-curating a group exhibition exploring sensory and emotional experience, with artists from Australia, China, Argentina, and the U.S.
- Responsible for artist open call, venue arrangements, and display planning.

Creative Collective Series — Community Arts Workshops

Melbourne, September 2024 - PRESENT

- Initiated and leading a recurring series of community workshops on home gallery curation, collaborative art-making, and art therapy.
- Oversee the full event process, including program design, venue coordination, facilitation, visual material production, and community outreach.

EXPERIENCE

Community Organizer — Seeya, AI Club (UniMelb), 706 Melbourne

Melbourne, March 2024 - PRESENT

- Core organizer in three dynamic communities focused on AI, cultural exchange, and local creative scenes.
- Planned and hosted 10+ events and 3 long-term programs, including workshops, talks, and casual meetups, with over 150 participants from diverse backgrounds.

Gallery Operations Assistant — TeamLab Art Gallery

Shanghai, January 2023 - June 2023

- Provided customer service and supported merchandise sales at the gallery shop.
- Produced handmade art badges, managed inventory, arranged product displays.
