EDUCATION

The University of Melbourne, Australia — Master of Arts Curatorship

Melbourne, Australia, February 2024 - 2026

Hubei University of Technology, China — Bachelor of Product Design

Wuhan, China, September 2018 - June 2022

EXPERIENCE

AI Club (UniMelb) / Seeya Melb / 706 Melb — Community Organizer

Melbourne, September 2024 - PRESENT

- Core organizer in three dynamic communities focused on AI, cultural exchange, and local creative scenes.
- Planned and hosted 10+ events and 3 long-term programs, including workshops, talks, and casual meetups, with over 150 participants from diverse backgrounds.
- Oversee the full event process, including program design, venue coordination, facilitation, visual material production, and community outreach.

NextGen2025 AI Hackathon: — Event Organizer

Melbourne, August 2025

- Led the planning of program flow, team formation, and project showcase rules, supporting 100+ participants and 10+ partnering organizations.
- Managed on-site operations including venue setup, materials, check-in, and demo coordination to ensure smooth execution.
- Facilitated collaboration between UniMelb AI Club and other local communities, connecting developers, designers, and cross-domain talents for project co-creation.

Night at Museum — Visitor Studies Research Project

University of Melbourne, 2025 (in progress)

- Explore how night programs shape visitor experience and behavior, using Melbourne Museum as a case study.
- Conduct fieldwork through structured observation and interviews, and apply quantitative analysis to identify spatial patterns, interaction frequency, and user engagement trends across different exhibition zones.

Sensitive Beings Exhibition — Curatorial Project

Melbourne, August 2025 (Upcoming))

- Co-curating a group exhibition exploring sensory and emotional experience, with artists from Australia, China, Argentina, and the U.S.
- Managed venue coordination, and display planning. Led marketing and public programs including creating webstie, visual materials, social media, and workshops.
